16th July 2019

Dear Parents/Carers,

I am delighted to be able to share with you the great news that the s106 legal agreement has now been signed by all parties. This means that the building project can now proceed - full steam ahead!

To ensure progress is maximized, I will continue to work very closely (alongside Governors) with the Department for Education and, the building contractor, Bowmer and Kirkland, to ensure the project is managed effectively. We are still looking at a completion date of Summer 2021.

Some of you have also been in contact with me about the new Tesco proposal (to develop houses). Just to let you know that I have been in touch with the planning authority who have given assurances that any proposals would not impact on the Bolder project or its timeline.

I will of course keep you up to date with any further developments.

As always please do get in touch if you have any further questions: office@bolderacademy.co.uk

My very best wishes,

Heidi Swidenbank
Headteacher
