The successful applicant will have strong financial, communication skills and be a confident user of ICT packages. A good level of interpersonal skills to enable liaison with staff, parents/carers, students and any external organisations in a calm and confidential manner are essential, as is the ability to lead others.

The Academy has been set up by primary and secondary Headteachers from the London Borough of Hounslow to meet the demand for extra school places. We are already part of the community.

Extraordinary partnerships have been formed with key local businesses such as Sky, resulting in a 'bold' education: a traditional, highly academic curriculum combined with brilliant extra-curricular opportunities.

There is an excellent pension provided for staff (LGPS for non-teaching staff) and an Employee Assistance Programme provided for all staff with the Education Support Partnership.
